

Thunder Bay, Ontario, Canada Jr. High Mission Trip 2008

Where? Thunder Bay, Ontario, Canada

Who? Maple Grove Lutheran Youth and Friends in grades 6 - 8

When? Sunday, August 3 - Friday, August 8

What? Thunder Bay, Ontario is located on the northern shore of Lake Superior. Its position on the Great Lakes made it a natural meeting and trading site for Native Americans, and later, Europeans established a series of trading posts here. Today, Thunder Bay is the tenth-largest city in Ontario and is a **melting pot of many ethnic backgrounds. Over the past ten years the city's** economy has struggled, and hope for a quick turnaround is fading. We will have the opportunity to work with organizations that serve children, the elderly, and the homeless. Come and help restore hope to those who are struggling by sharing the love of Christ in the scenic city of Thunder Bay.

Why? To be the hands and heart of Jesus

Cost: approximately \$390.00
(the cost will include transportation,
housing and food for the week)

A Passport will be required for this trip. The cost for the Passport will be in addition to the trip cost.
